Re: *Intel Corporation v. AmberWave Systems Corporation*  
Civil Action No. 05-301-KAJ  
*Intel Corporation v. AmberWave Systems Corporation*  
Civil Action No. 05-682-KAJ

---

Dear Judge Jordan:

We are in receipt of Your Honor's letter dated October 26, 2005 regarding the setting of a Rule 16 conference in *Intel v. Amberwave*, CA No. 05-682 ("the 05-682 case") and we will be contacting chambers shortly to set a date for the teleconference.

However, on behalf of Intel, we wanted to alert the Court that the 05-682 case is directly related to *Intel v. Amberwave*, CA 05-301, an earlier case pending between the same parties. In the earlier case we have moved to supplement the complaint, and if that motion is granted we will be dismissing the 05-682 case, as explained in the briefing on the motion to supplement. We have requested oral argument on the motion to supplement [DI 30].

Because the two cases are so interrelated, and because the scheduling conference in CA 05-682 will be unnecessary if our motion to supplement is allowed, Intel was hoping that we could appear for argument on the motion to supplement, either before or at the same time as would be set for any scheduling conference, and I write to ask if the Court would be amenable to proceeding in that manner.

We thank Your Honor for considering this request.

Respectfully submitted,

Josy W. Ingersoll No. 1088
